*Last year, the North Country Walk raised  
\$31,269 to fight suicide.*

## **Why support the *North Country Out of the Darkness Walk*?**

Suicide is a leading cause of death – and it is preventable. With your support, we'll be one step closer to achieving our bold goal of reducing the suicide rate 20% by 2025.

## **The American Foundation for Suicide Prevention leads the fight against suicide.**

Funds raised from the *North Country Out of the Darkness Walk* allows us to fund research, create educational programs, advocate for public policy, and support survivors of suicide loss.

Over the past year through money raised, the Capital Region chapter has been able to: provide our More Than Sad program to 345 students and school personnel; participate in 14+ community health fairs providing information and resources to almost 700 people; present the Talk Saves Lives program to 437 people; provide support to 251 suicide loss survivors; provide our new It's Real college film to 356 college students; and, so much more.

Sponsor the *North Country Walk* and you can be a part of bringing these lifesaving programs to your community and show that you are a voice for suicide prevention.

Please feel free to contact me with any questions. I look forward to discussing our 2018 sponsorship opportunities and benefits with you in more detail.

With kind regards,

*Shelby*
